file HASS 201

from [] diary, August 1953 (see attachments), OIR 9736.

para 24:"Another person I suspect is Karl HASS. It should not be forgotten that WOLFRUM in one of his reports wrote that he had seen HASS leaving the Hq of the PCI in Via delle Botteghe Oscure. Furthermore I had seen him only once recently and I reported the conversation at the time...."

para 107:..."I also learned from WEINSTEIN that there is a documentation by the Israelis against HASS which is enough to send him to prison immediately since he is responsible for common and political crimes of exceptional gravity. I asked WEINSTEIN to let me see the documentation and maybe he will...
